

## Welcome to Oakmont Country Club Guest Information

In order that you fully enjoy your visit, please acquaint yourself with our customs and traditions.

- The use of cellular phones and other electronic communications devices are permitted only in the locker rooms and inside vehicles in the parking lot. Use is also not allowed in any dining areas connected to locker rooms.
- Our dress code requires collared shirts or mock turtlenecks, slacks or shorts. Shorts are to be no more than one inch above the knee. Jeans and other denim clothing are not allowed anywhere on Club property. Gentlemen are required to remove hats on porches and in the clubhouse.
- The entire indoor facilities of Oakmont Country Club are smoke free.
- Members and Guests are expected to play a round of golf in four hours or less. Please be ready to play at all times, pick up if you are out of the hole and putt continuously when appropriate.
- Oakmont is a walking course with a strong caddie program. However, if you require a golf cart, your host will make the necessary arrangements.
- If you are driving a cart, please follow all directional signs and use cart paths when designated to do so. Please be especially careful to NOT drive in the tall fescue grasses. The responsible operation of golf carts will help preserve the pristine condition of our playing surfaces.
- Properly raked bunkers are essential to the playability of Oakmont. Even if you are playing a late afternoon or evening round, it is necessary to rake the bunkers before proceeding.
- By adhering to these important traditions, we believe everyone's Oakmont golfing experience will be enhanced.

If your group is approached by a club employee about pace of play, please do whatever is necessary to keep up with the group in front of you.
